

LANHYDROCK HOTEL
and golf club

Members Message 10th July 2020

Open Competitions

Start times for the Ladies Team, Seniors Individual & Fourman Team events can be viewed on our web page. Click on Events in the Golf drop down section. Please note there are a few remaining places available for the Seniors Open.

Ex 18th Bunker Landscaping

This has been seeded so please refrain from entering the GUR area.

Temporary VAT Reduction

Lanhydrock H&GC tariff, menus, promotions and packages will remain current. The Government has introduced this scheme from 15th July for selected items with the aim of helping companies and protecting jobs.

Health & Safety

The vast majority of people entering the building have been doing a great job following guidance and using their own common sense. Thank You. We have witnessed a small number that appear oblivious to the Covid-19 situation and this does concern me, especially for our team of staff. It hasn't gone away!!

Online Bookings

Online bookings by members who do not turn up or cancel is increasing. It blocks out tee times which others would be grateful to use. We will disable this facility from repeat offenders as its not fair on other players.

The Gym

The Government have announced Gym's can open from 25th July. We need to review how we can operate our facility safely. Once we have a workable plan we will update members.

The Hotel

The hotel will reopen on 16th July. This will able us to amend some tee time restrictions currently in place. New time info to follow.

Finally, a big thank you to All THE TEAM who have worked extremely hard whilst the clubhouse was closed and since we've opened. The updated Nineteen Bar menu has been warmly received and it is nice to see customers not seen since March slowly returning to visit.

If you have any questions please do not hesitate in getting in contact.

Best Wishes

Graham & Clare
