

Clubhouse Opening Saturday 4th July 2020

Dear Member

We are pleased to be able to open the Clubhouse this Saturday, 4th July. This will include the Locker Rooms and Shower facilities. Use only though if you really need them and do not spend more time in there than necessary.

This is a learning curve for use all so please be patient as we may adapt procedures best suited for our situation. You will see that many of our Fire Doors will be wedged open. We have risk assessed this and believe that as all available areas are on the ground floor and we have many external exit points, this is an extremely low risk.

It will be a 'soft' opening until the hotel opens again on the 16th July with hours of service 9.00AM to 9.30PM daily. Catering last orders will be 8.00PM and 6.00PM on Sundays. Coffee from the Shop is available from 7.00AM. This will now have the same £2.00 'Takeaway' and £2.90 'Drink In' price. Payment by Card will be preferred rather than cash.

For meals we would prefer to seat you and provide table service. However, if you would like to order just one course when ordering your drinks at the bar then that will be fine.

We will need to comply with the 'track and trace' scheme. If you are playing golf then you will be on the BRS system. If just visiting the Clubhouse then we will need to take the lead name of the group and contact details. If coming to have a meal, we would appreciate reservations made in advance.

For the Club to operate in these difficult circumstances we ALL need to work together. You will see that we do not have arrows and lines stuck to the carpet or screens in front of tills. What we do have is space and ample sanitising stations within the building.

- Please follow advice as given by the Lanhydrock Team.
- Observe social distancing.
- Please stand 1 metre away from the bar when ordering and approach only when to make payment and collect your drinks.
- DO NOT move furniture from its allotted space.
- The Reception, Bar and Bistro areas are open for use.
- The Bistro Toilets are CLOSED. Use main toilets only.
- Please use sanitiser before entering toilet areas, wash hands and apply sanitiser again when leaving.
- There is sanitiser in each toilet so you may clean surfaces before use.
- **KEEP YOUR DISTANCE FROM OTHERS**

The Golf Course – is in fine condition. Many thanks to Simon and the Team. Please note the Local Rules for playing out of bunkers and GUR on the old 18th Bunker area. We hope to get to work again on this area if dry enough next week.

If you have any questions please do not hesitate to contact us or coming forward. We are open to run as efficiently as we can. If you have doubts please do not enter the building until you feel happy to do so.

Best Wishes To You All

Graham & Clare
