HOTEL | GOLF CLUB | FITNESS SUITE

Tier 1 Venue Monday 30th November 2020 Update

The Clubhouse will open again on Wednesday 2nd December. We will provide full bar service together with limited catering. Please view the 'Dine' link on our website for menus and times of service. The hotel and gym will however remain closed.

These conditions will be reviewed after the next scheduled Government announcement on 16th December where we hope conditions will be relaxed.

For the present time, following Government Guidelines Lanhydrock H&GC interpret their rules as follows.

It clearly states that persons from Tier 2 or 3 areas visiting a Tier 1 area **MUST** follow procedures as ruled for their own area.

We have listed Tier 1 and Tier 2 Rules in the attached document and have highlighted the most relevant conditions which must be followed. The most important being for Tier 2 persons visiting a Tier 1 area –

“you must not socialise with anyone you do not live with or who is not in your support bubble in any indoor setting, whether at home or in a public place”

**As such, residents of Tier 2 areas are not permitted to socialise with anyone within the Clubhouse unless they are from the same permanent address, until further notice.
Tier 2 residents may enter the Shop to sign in and use the Toilet facilities.**

For **ALL** persons entering any internal part of the Clubs buildings you must follow these simple actions to protect each other

- **Wash hands** - keep washing your hands regularly
- **Cover face** - wear a face covering in enclosed spaces
- **Make space** - stay at least 2 metres apart - or 1 metre with a face covering or other precautions

What a face covering is

In the context of the coronavirus (COVID-19) outbreak, a face covering is something which **safely covers the nose and mouth**. You can buy reusable or single-use face coverings. You may also use a scarf, bandana, religious garment or hand-made cloth covering but these must securely fit round the side of the face.

Face coverings are not classified as PPE. Face coverings are instead largely intended to protect others, not the wearer, against the spread of infection because they cover the nose and mouth, which are the main confirmed sources of transmission of virus that causes coronavirus infection (COVID-19).

Face visors or shields - may be worn in addition to a face covering but not instead of one. This is because face visors or shields do not adequately cover the nose and mouth.

When you do not need to wear a face covering

In settings where face coverings are required in England there are some circumstances where people may not be able to wear a face covering. Please be mindful and respectful of such circumstances.

There are also scenarios when you are permitted to remove a face covering:

- if asked to do so by shop staff or relevant employees for identification, for assessing health recommendations (for example by a pharmacist) or for age identification purposes, including when buying age restricted products such as alcohol
- when seated to eat or drink in a hospitality premise such as a pub, bar, restaurant or cafe. You must put a face covering back on once you finish eating or drinking

The government clearly advises that designated indoor seating areas for customers to eat or drink should at this time only be open for table service, where possible, alongside additional infection control measures.

Tier 1: Medium alert

In tier 1:

- you must not socialise in groups larger than 6 people, indoors or outdoors, other than where a legal exemption applies. This is called the 'rule of 6'
- businesses and venues can remain open, in a [COVID secure](#) manner, other than those which remain closed by law, such as nightclubs
- hospitality businesses selling food or drink for consumption on their premises are required to:
 - provide table service only, for premises that serve alcohol
 - close between 11pm and 5am (hospitality venues in airports, ports, on transport services and in motorway service areas are exempt)
 - stop taking orders after 10pm

- hospitality businesses and venues selling food and drink for consumption off the premises can continue to do so after 10pm as long as this is through delivery service, click-and-collect or drive-through

- organised indoor sport, physical activity and exercise classes can continue to take place, if the rule of 6 is followed. There are exceptions for indoor disability sport, sport for educational purposes, and supervised sport and physical activity for under-18s, which can take place with larger groups mixing
- if you live in a tier 1 area and travel to an area in a higher tier you should follow the rules for that area while you are there. Avoid travel to or overnight stays in tier 3 areas other than where necessary, such as for work, education, youth services, to receive medical treatment, or because of caring responsibilities. You can travel through a tier 3 area as part of a longer journey

Tier 2: High alert

This is for areas with a higher or rapidly rising level of infections, where some additional restrictions need to be in place.
